Why use ebl miller rosenfalck?

There are a number of reasons why companies and organisations choose to work with **ebl miller rosenfalck**. Some of those, we hear most often, are:

- International lawyers experienced in providing cross-border legal advice.
- Forward thinking and value conscious.
- Multilingual capabilities add value to our advice and our clients' businesses.
- Used to working in multi-national teams.
- Great client service.

About us

- We have significant experience in advising companies and businesses on Danish law with a number of our Danish speaking lawyers having practiced in Denmark..
- Our valuable working knowledge of legal, practical and cultural aspects of both jurisdictions, combined with strong Danish links differentiates us as legal advisors and enables us to help ensure that our clients can achieve their business goals.
- We are a Patron member of the DKUK Association in London and actively support their events. We work with various trade organisations, such as Invest in Denmark and regional development agencies including Copenhagen Capacity.

Locations

In addition to our head office in London, we have an office in central Copenhagen.
